

Embracing Wellness: Echon Celebrates International Yoga Day

On June 21st, Echon celebrated International Yoga Day with a rejuvenating yoga session that left our people feeling relaxed and revitalized. This session highlighted the profound benefits of incorporating yoga into daily life to combat stress and enhance overall well-being.

The event was a success, with employees expressing appreciation for the opportunity to unwind. The atmosphere was tranquil and relaxing, providing a much-needed break from the daily grind.

This yoga session was more than just a wellness activity—it was a step towards fostering a culture of health and well-being within the company.
